BUFFALO CHURCH 2024 ANNUAL REPORT

 Buffalo  
CHURCH

# HEY, HERD!

What an incredible year two! God has moved in significant ways in the last year and He is not finished yet. As we continue to put prayer first and keep Jesus at the center of our church, we have seen the broken become restored, the addicted set free, and the sleeping come alive!

As you read through these pages, know that your prayers and faithful giving have had an eternal impact on so many lives here in Helena, Montana. People now have a FAMILY who loves them and place to call HOME. Thank you for supporting and believing in the mission and vision of Buffalo Church.

Love you more than you know,

*"No man could save me. Only Jesus."*

Growing up, my friends and I would go down to the local bar to play video arcade games, so I got comfortable being in a bar.

By 16 years old, I began drinking alcohol. And up until a couple years ago, my life revolved around when I could get my next drink. In 2022, I came to my breaking point and surrendered my life to Jesus. I started reading the Bible and praying - Jesus rescued me from alcoholism, and I've not had a drink since.

Because God was showing up in my life, my wife and I decided that we needed to find a church, so we came to Buffalo. We brought

our son with us and all of us started serving. The transformation that has happened in my family since becoming a part of Buffalo has been amazing. I shared my testimony and was baptized on Easter 2023. And since then, my son (Anthony) was baptized, and I've had the honor to baptize my wife (Jacqueline) and our daughter (Tracey).

Jesus can do amazing things when you allow Him to change your heart. My family and I are proof of that. No man could save me. Only Jesus.
